Process for Parent/Student Financial Support

- If financial support is needed, please submit a written request to the school for assistance.
- School will confirm need for assistance. If approved a copy of the Uniform Assistance Request form will be provided to the parent. They will then take the request to the store of their choice and identify the items they would like to have the district purchase. Parent must identify the item number, size, and color for each item.
- Parent will then return form to school principal and a purchase order will be generated.
- When items arrive the school will contact parent to come in and pick up order.
