Policy #3212 ATTENDANCE

The regular and prompt attendance of teaching staff members is an essential element in the efficient operation of the school district and the effective conduct of the educational program. Because absenteeism exacts a high cost in the depletion of district resources and in the disruption of the educational program, the Board of Education is vitally interested in the attendance of each employee and considers conscientious attendance an important criterion of satisfactory job performance.

A teaching staff member who fails to give prompt notice of an absence, misuses sick leave, fails to verify an absence in accordance with Board policy, falsifies the reason for an absence, is absent without authorization, is repeatedly tardy, or accumulates an excessive number of absences without good cause may be subject to discipline, which may include the withholding of one or both salary increments and/or certification of tenure charges.

No teaching staff member will be discouraged from the prudent, necessary use of sick leave and any other leave provided for in the contract negotiated with the member's majority representative or provided in the policies of the Board.
