

Policy 9160.1 PUBLIC ATTENDANCE AT SCHOOL ATHLETIC EVENTS

The Board of Education welcomes the attendance of members of the community at athletic events held by the schools of the district and acknowledges its duty to maintain order and preserve the facilities of the district during the conduct of such events.

The Board may bar the attendance of any person at a school athletic event whose conduct constitutes a disruption. The Board prohibits the possession and consumption of alcoholic beverages at any function sponsored by the district, and, further, prohibits wagering on school premises. There will be no smoking at any public function held in a school building.

A schedule of fees for all school athletic events shall be prepared by the Superintendent and adopted by the Board. Those possessing a Cumberland County Golden Card or Vineland Public School District issued card will be admitted to all school athletic events without charge. Residents of the district 60 years of age or older shall be admitted without charge to all school athletic events. Proof of age will be required.

The Board will honor athletic passes from all districts that are members of conferences in which teams of this district compete and that honor the passes of this district.
