

Transportation Meeting
June 23, 2016
Agenda

Present: Joseph Callavini, Kim Codispoti, Scott English, John Frangipani, Scott Musteral, John Morris, Cliff Hickman.

I. Cumberland County Transportation Consortium

Vineland can become the LEA for the Cumberland County Transportation Consortium

Benefits to Vineland

- Income revenue
- Increase Vineland's State presence in county transportation
- Routing software in place from the county
- County worker would be part of the shared service agreement

Cumberland County Consortium

- Currently all county transportation is contracted out
- Secretary will be needed to manage contracts and billing
- The shared service contract with Cumberland County needs to be sent to Mr. DeSanto for review.
- The contract and taking over of the CC Transportation Consortium needs to be on the July Board agenda

II. Supervising the garage workers

- Joe Callavini introduce Cliff Hickman and the need for a transportation supervisor. Joe explained how productivity improved with having Cliff as interim supervisor. Joe also provide data to show how efficiency improved
- Joe would like to see Cliff become the permanent supervisor
- Finance committee will review the cost of the position
