Her students know her as the “Crazy Lady at the end of the hall”, but now we all may know her as teacher of the year. Mrs. Michelle Villar has been working as Biology and Methods of Science teacher for eleven years. She is very active and involved which she mentioned might be one of the reasons why she was chosen. Mrs. Villar states that she is very hands-on and entertaining when in the classroom. She says, “I felt fabulous when I found out, and it was cool because I always wanted to be a teacher since I was a little girl”.

**ANDREA CHIEFFO: VHS HARPIST NAMED TO FIRST
CHAIR ON STATE ORCHESTRA**

By Mary Ayars

Andrea Chieffo is a junior at Vineland High School. She has been selected as the only harpist on the 2008 All State High School Orchestra. Andrea will be performing with the group at the New Jersey Education Association Convention in November 2008.

In order for Andrea to qualify for the All State Orchestra, she had to excel at the auditions – first at the southern regional level, and then moved on to the state level from a group of more than 180 talented student musicians. While Andrea was at the state level, she was the best out of five performers, who sought the spot as a solo harpist with the orchestra. “With the level of competition, this is about as good as it gets,” stated, String Ensemble Director, Craig Phillips.
