

## MEMORANDUM

**TO:** All Principals, Supervisors, Site Managers, and Building Level  
 Technology Coordinators  
**FROM:** Steve Dantinne, Supervisor of Technologies  
**DATE:** Thursday, March 27, 2008  
**RE:** Technician Reassignments & Reorganization effective March 31, 2008

In an effort to provide a level of documentation for technician reporting at the various site locations throughout the district, all technicians are required to sign in and out at the desk at their respective work assignments. The technicians should use the sign in/out sheets provided for the school/site staff. These sign in/out sheets may be reviewed by the Supervisor of technology. Technicians should be at their assigned site locations at NO LATER THAN 8:00 AM daily unless otherwise directed by the Supervisor of Technology. Technicians assigned full time to the high schools will report directly to that site.

Some times throughout the year will be required to accommodate technician training and meetings. These dates will be identified as needed.
